

**MORE PEOPLE.
MORE PLACES.
MORE POSSIBILITIES.**

Delivering the best in IT staffing solutions for greater Austin employers.

Austin is anything but ordinary, and its extraordinary employers deserve a different approach to IT staffing. That's why Austin chooses Worldwide TechServices Staffing Solutions to fill its needs for top tech talent.

Our local presence means that we can offer personalized service that's tailored to your specific requirements. We thrive on recruiting and are constantly networking with the best in Austin-area IT talent. This means a higher caliber of candidates and customized IT staffing solutions that fits your business.

IT talent is as diverse as Austin. We find fits...*fast*.

Staffing shouldn't be a numbers game. At WWTS, we listen first, ensure we understand your needs and then

The Right Capability

Our focus on IT talent means an unmatched understanding of the specific skillsets required for the roles you need to fill, from technology generalists to deeply specialized experts.

Ready to Contribute

Our large and ever-deepening pool of top IT talent enables fast fulfillment of highly qualified candidates that are ready to meet your team and get to work today.

Right Where You Need

When your IT staffing needs expand beyond Austin, our local resources tap WWTS' national reach to give you access to thousands of candidates nationwide.

An Array of IT Resources that Others Can't Match

WWTS candidate connections give you access to the widest range of IT resources bar none. Since 2000, we've recruited, hired, on-boarded and trained thousands of IT support professionals, including:

Data Center Engineers	Data Security	Enterprise Technicians	L1-L3 Tech Support Agents
IT Managers	Network Engineers	Network & Storage Techs	Program/Project Managers
Solutions Architects	System Administrators	System Architects	System Engineers
Configuration Managers	Desktop Technicians	Smart-hand Technicians	Call Center Agents

Staffing Models Tailored to Your Needs

Contract to Hire

Assess candidates at your pace and bring them on board whenever it's right for you. WWTS handles all the recruitment, hiring and payroll tasks so you don't have to.

Temporary Staff

Address seasonal demands and short-term staff support needs. We take care of all recruiting, hiring and payroll tasks here too.

Direct Hire

Reduce the hours and energy invested in finding qualified candidates for hard-to-fill IT roles. WWTS can deliver pre-assessed and pre-interviewed candidates – ready for your direct hire consideration.

A Welcome Difference in IT Staffing Solutions

At WWTS, we're proud to stand out from the status quo of IT staffing and invite you to experience:

- **A focus on IT talent**
- **Local service - National reach**
- **Unmatched candidate quality & access**
- **Decades of IT recruiting & hiring expertise**
